

Who We Are

Uniting diverse backgrounds and faiths, we share a resolute purpose:

advocating for the elimination of the Sexual Orientation and Gender Identity (SOGI) curriculum, pronouns, gender ideology and mixed bathrooms in schools.

As a symbol of our commitment, students are encouraged to participate in a nationwide school walkout on that day.

Additionally, major cities across the nation will host march events.

Together, we stand united to safeguard the well-being and innocence of our children.
